

# Easy Hairstyles

That Pregnant Women Can Try

## Wraparound Ponytail

This classic and simple hairstyle ties up all the hair in a high ponytail, preventing any discomfort caused due to loose hair.

## Donut Topknot

This well-combed hairstyle allows you to gather and tie all your hair in a bun at the top of your head.

## Milkmaid

This is yet another exquisite hairstyle that includes milkmaid plaits that can also be a part of your pregnancy photo shoot.

## Messy Side Bun

This is a simple go-to hairstyle that is super quick to make and doesn't even require combing hair.

## Layered Bob

If you have short hair, this hairstyle could be comfortable and easy to manage during pregnancy.

## Straight And Sleek Hairstyle

If you have straight frizz-free hair, keeping your hair neatly combed and untied will be a good option.
